**CPF No. 2-2021-012-CAO**

Dear Mr. Grubb:

On September 13, 2021, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to El Paso Natural Gas Company, L.L.C. (EPNG), an Amended Corrective Action Order (CAO) in the above-referenced case. This Amended CAO included several required corrective actions. Based on our review of the documentation provided, it has been determined that EPNG has complied with the terms of the Amended CAO.

Accordingly, this case is now closed, and no further action is necessary. Please be advised that this letter refers only to the referenced Amended CAO (CPF #2-2021-012-CAO) and not to other PHMSA cases, if any. Thank you for your cooperation in this matter.

Sincerely,

James A. Urisko  
Director, Southern Region  
Pipeline and Hazardous Materials Safety Administration
