Dear Mr. Martin:

On February 18, 2022, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Southern Natural Gas Company (SNG), a Corrective Action Order in the above-referenced case. This Order included a requirement to take corrective actions on your pipeline. Based on PHMSA's review of the documentation provided by SNG, it has been determined that SNG has complied with the terms of this Order.

Accordingly, this case is now closed, and no further action is required with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

James A. Urisko
Director, Office of Pipeline Safety
PHMSA, Southern Region
