Re: CPF No. 2-2024-006-NOPV

Dear Mr. Willsher:

On October 25, 2024, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Beta Operations a Final Order in the above-referenced case. This Order included a requirement to pay the proposed civil penalty, with the referenced enforcement action closing automatically upon receipt of payment.

PHMSA has confirmed receipt of payment of the civil penalty as of October 30, 2024. Accordingly, this case is now closed, and no further action is required. Thank you for your cooperation in this matter.

Sincerely,

James A. Urisko
Director, Southern Region, Office of Pipeline Safety
Pipeline and Hazardous Materials Safety Administration
