Dear Mr. Penner:

On September 22 through 26, 2014, representatives from the Pipeline and Hazardous Materials Safety Administration (PHMSA) and the Minnesota Office of Pipeline Safety, pursuant to chapter 601 of 49 United States Code, conducted an inspection of Koch Pipeline Company, L.P.'s Woodriver Pipeline. As a result of the inspection, Koch Pipeline Company, L.P. was issued a Notice of Amendment on April 29, 2015, which proposed amendment of your procedures.

Koch Pipeline Company, L.P. submitted its amended procedures on June 30, 2015. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Allan C. Beshore
Director, Central Region, OPS
