Dear Mr. Krueger:

On May 7-14, 2018, a representative of the Michigan Public Service Commission (MIPSC) acting as an interstate agent for the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code inspected Bluewater Gas Storage LLC's control room management and operations and maintenance procedures in Columbus, MI.

As a result of the inspection, Bluewater Gas Storage LLC was issued a Notice of Amendment on November 6, 2018, which proposed amendment of your procedures. On December 19, 2018, Bluewater Gas Storage LLC submitted the amended procedures. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Allan C. Beshore
Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
