Re: CPF-3-2021-009
Notice of Probable Violation and Proposed Civil Penalty

Mr. Ochs,

Rose Rock Midstream Operating LLC (RRMS) is in receipt of the Notice of Proposed Violation (NOPV) and Proposed Civil Penalty (PCP) referenced above and dated March 09, 2021. RRMS is a subsidiary of Energy Transfer (ET).

RRMS is not contesting the NOPV and as such has submitted by wire transfer on April 14, 2021 the required Civil Penalty payment in the amount of \$32,800. Fed/CHIPS/SWIFT Reference number 0412I1B7032R015854 was provided. Confirmation of this payment authorizes PHMSA to issue an order making findings of violation and close the case.

Should you have any questions or concerns please contact me at (713) 989-7126 or via email at todd.nardozzi@energytransfer.com.

Sincerely,

Todd Nardozzi
Director – Regulatory Compliance
Energy Transfer
