RE: CPF 3-2021-043-NOPV

Dear Mr. Sheehy:

On April 13, 2024, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Tallgrass Interstate Gas Transmission, LLC (Tallgrass) a Consent Order incorporating the terms of the Consent Agreement entered into between PHMSA and Tallgrass in the above-referenced case. Based on our review of the documentation provided by Tallgrass, and confirmation of payment of the civil penalty, it has been determined that Tallgrass has complied with the terms of the Consent Agreement and Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
