RE: CPF 3-2021-046-NOPV

Dear Mr. Moler:

On May 10, 2022, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Consent Order incorporating the terms of the Consent Agreement between PHMSA and Tallgrass Pony Express Pipeline, LLC (Tallgrass) in the above-referenced case. This Order included a Civil Penalty assessment and Compliance Order requirement for Tallgrass to take corrective actions on its pipeline.

Based on our review of the documentation provided by Tallgrass and confirmation of payment of the civil penalty on May 13, 2022, it has been determined that Tallgrass has complied with the terms of this Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
