**RE: CPF No. 3-2021-046-NOPV
Request for Informal Conference
Request for a Hearing and Preliminary Statement of Issues
Written Response**

Dear Mr. Ochs,

Thank you for your December 17, 2021, letter granting Tallgrass Pony Express Pipeline, LLC (Tallgrass) additional time to respond to the above-referenced Notice of Probable Violation, Proposed Civil Penalty and Proposed Compliance Order (NOPV) issued by the Pipeline and Hazardous Materials Safety Administration (PHMSA) on November 23, 2021. As described in the attached, Tallgrass requests an informal conference to attempt to resolve certain Items contained in the NOPV.

In order to preserve its rights, Tallgrass also submits a Request for Hearing and Preliminary Statement of Issues on two Items, pursuant to 49 C.F.R. § 190.211. Tallgrass hopes that the hearing will be unnecessary, and that the parties can resolve this matter informally.

For those NOPV Items not subject to the Request for Informal Conference and Request for Hearing, Tallgrass provides written responses in the attached.

I will reach out to you by phone regarding scheduling an informal conference. In the meantime, please feel free to contact me if you have any questions.

Sincerely,

Jennifer Eckels
