Dear Mr. Sheehy:

On January 24, 2023, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to a Final Order in the above-referenced case. This Final Order included a Compliance Order which specifies actions that need to be taken by Tallgrass Pony Express Pipeline, LLC (Tallgrass) in order to comply with the pipeline safety regulations. Based on our review of the documentation provided, it has been determined that Tallgrass has complied with the terms of this Final Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
