Dear Mr. Norton:

On August 5, 2022, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to OKTEX Pipeline Company, LLC (OKTEX) a Final Order in the above-referenced case. This Order included a Compliance Order and Civil Penalty assessment. Based on our review of the documentation provided by OKTEX and confirmation of payment of the civil penalty made on September 1, 2022, it has been determined that OKTEX has complied with the terms of this Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
