RE: CPF 3-2022-018 NOPV

Dear Mr. Sheehy:

On May 16, 2022, a Consent Order was issued incorporating the terms of the Consent Agreement between Tallgrass Energy, LP (Tallgrass) and the Pipeline and Hazardous Materials Safety Administration (PHMSA). This Consent Agreement included a Compliance Order and a Civil Penalty assessment. Based on our review of the documentation provided by Tallgrass and confirmation of payment of the Civil Penalty, it has been determined that Tallgrass has complied with the terms of the Consent Agreement and Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

David Barrett,
Acting Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
