RE: CPF 3-2022-053-NOPV

Dear Mr. Hallam

On November 10, 2022, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Gulf South Pipeline Company, LLC ("Gulf South") a Final Order in the above-referenced case. This Order included a Compliance Order requiring Gulf South to take the actions to correct the violations and a Civil Penalty assessment. Based on our review of the documentation provided by Gulf South and confirmation of payment of the civil penalty, it has been determined that Gulf South has complied with the terms of the Final Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
