Dear Ms. Hansen:

On June 6, 2023, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Spectra Algonquin Gas Transmission (AGT) a Final Order in the above-referenced case. This Order included a Civil Penalty assessment and found that the proposed actions to comply with the pipeline safety regulations have been completed. Based on confirmation of payment of the civil penalty made on April 13, 2023, it has been determined that you have complied with the terms of this Order.

Accordingly, this case closed automatically on June 6, 2023, with the Final Order issuance and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
Director, Central Region, Office of Pipeline Safety
