Dear Mr. Lamp:

On January 2, 2024, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Consent Agreement and Order in the above-referenced case. This Order included a Compliance Order requirement to take corrective actions on your pipeline and a Civil Penalty assessment. Based on our review of the documentation provided by Coffeyville Resources Crude Transportation, LLC (“CRCT”) and confirmation of payment of the civil penalty on January 11, 2024, it has been determined that CRCT has complied with the terms of the Consent Agreement and Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs  
Director, Central Region, Office of Pipeline Safety  
Pipeline and Hazardous Materials Safety Administration
