**Re: Continuance of Hearing, Tallgrass Energy
CPF No. 3-2023-016-NOPV**

By electronic mail dated July 15, 2024, Ryan McClure, Counsel for OPS Central Region, and Catherine Little, Counsel for Tallgrass Energy, submitted a joint request for a further continuance of the hearing previously scheduled for July 24, 2024. The request explained that the parties had reached an agreement to resolve the case which would make a hearing unnecessary, and the additional time was needed to complete and execute the written consent agreement and order.

I granted the request for a continuance until August 22, 2024 which will be the new hearing date if resolution by consent agreement is not completed by that time.
