**Re: Continuance of Hearing, Gary Climate Solutions  
CPF No. 3-2023-021-NOPV**

By electronic mail dated June 11, 2024, Ryan McClure, Counsel for OPS Central Region, and Catherine Little, Counsel for Gary Climate Solutions, submitted a joint request for a continuance of the hearing previously scheduled for June 26, 2024. The request explained that the parties had reached an agreement to resolve the case which would make a hearing unnecessary, and the additional time was needed to complete and execute the written consent agreement and order.

I granted the request for a continuance until July 31, 2024, which will be the new hearing date if resolution by consent agreement is not completed by that time.
