RE: CPF 3-2023-022-NOPV

Dear Mr. Norton:

On January 22, 2024, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Consent Order incorporating the terms of the Consent Agreement entered into between PHMSA and Magellan Midstream Partners, LP (Magellan) in the above-referenced case. This Order included a Compliance Order and Civil Penalty assessment. Based on our review of the documentation provided by your staff, and confirmation of payment of the civil penalty on February 2, 2024, it has been determined that Magellan has complied with the terms of this Consent Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
Director, Central Region, Office of Pipeline Safety
