RE: CPF No. 3-2024-047-NOA

Dear Mr. Hesselbach:

From August 14 through 18, 2023, representatives of the Michigan Public Service Commission (MIPSC), acting as an Interstate Agent for the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code (U.S.C.), reviewed Bluewater Gas Storage, LLC's (BGS) procedures for Operation and Maintenance and Integrity Management. As a result of the inspection, BGS was issued a Notice of Amendment on April 19, 2024, which proposed amendment of its procedures. BGS submitted its amended procedures on May 8, 2024, which my staff has reviewed and it appears that the inadequacies outlined in the Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Gregory A. Ochs
Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
