Re: Continuance of Informal Hearing in CPF No. CPF 3-2024-052-NOPV (Magellan Pipeline Company, LP (Magellan))

By electronic mail dated February 20, 2025, Ryan McClure, counsel for Central Region, submitted a joint status update indicating that, as conveyed previously, the parties have both executed a consent agreement resolving the allegations in the above-listed case but still await PHMSA's issuance of the consent order adopting that agreement. Therefore, the parties requested a continuance of the scheduled March 6, 2025, informal hearing date, or order to allow for issuance of the consent order and agreement. The request for a continuance of the informal hearing is granted. The informal hearing in this case will be held on June 17, 2025, at 8:30 a.m. Central time in Kansas City, Missouri. Pre-hearing submissions under 49 CFR § 190.211(d) are due no later than June 9, 2025.
