Dear Ms. Ffolkes:

On August 24, 2017, the Pipeline and Hazardous Materials Safety Administration issued to Air Products & Chemicals Inc. (Air Products), a Notice of Amendment which proposed amendment of your procedures.

Air Products submitted its amended procedures on September 27, 2017. My staff reviewed the amended procedures, and it appears that inadequacies outlined in this Notice of Amendment have been corrected.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Terri J. Binns
Acting Director, Southwest Region
Pipeline and Hazardous Materials Safety Administration
