Dear Mr. Backes:

On August 7, 2017, the Pipeline and Hazardous Materials Safety Administration issued to DCP Midstream (DCP), a Notice of Amendment which proposed amendment of your procedures.

DCP submitted its amended procedures on September 7, 2017. My staff reviewed the amended procedures, and it appears that inadequacies outlined in this Notice of Amendment have been corrected.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Frank Causey
Acting Director, Southwest Region
Pipeline and Hazardous Materials Safety Administration
