**Re: Continuance of Hearing, Phillips 66 Pipeline, LLC  
CPF No. 4-2022-006-NOPV**

By electronic mail dated April 24, 2023, Ian Curry, Counsel for OPS Southwest Region, and Catherine Little, Counsel for Phillips 66 Pipeline, LLC, submitted a joint request for a continuance of the hearing previously scheduled for April 26, 2023. The request explained that the parties had completed the negotiation and drafting of a consent agreement to resolve the case which would make a hearing unnecessary, and the additional time was needed to obtain the appropriate signatures on the agreement.

I granted the request for a continuance for one week until May 3, 2023 which will be the new hearing date if resolution by consent agreement is not completed by that time.
