Dear Mr. Rosa:

On June 13, 2023, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Navigator Borger Express LLC Notice of Amendment (Notice) in the above-reference case. Navigator submitted its amended and supplementary procedures on July 12, August 16, and September 26, 2023 respectively. Navigator submitted its final revision of the amended procedure on November 8, 2023. PHMSA staff reviewed these procedures and it appears that the inadequacy outlined in this Notice have been corrected.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation.

Sincerely,

Bryan Lethcoe
Director, Southwest Region, Office of Pipeline Safety
