Dear Mr. Moppert:

On November 02, 2023, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued the Notice of Amendment (Notice) to Freeport LNG Development, L.P. On February 2, 2024 FLNG submitted its amended procedures, and it appears that the inadequacy outlined in this Notice have been corrected.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation.

Sincerely,

Bryan Lethcoe
