**Re: Osage Pipe Line Company, LLC
CPF No. 4-2024-010-NOPV**

Dear Mr. Lethcoe,

Osage Pipe Line Company, LLC (Osage) is in receipt of the above-referenced NOPV. Osage agrees not to contest the allegation in the NOPV and pay the proposed civil penalty, but requests that PHMSA make the following factual clarification in the final order:

On page 1, the NOPV states that the accident affected "land belonging to the Sac and Fox Nation." In fact, the land in question is restricted land that belongs to members of the Sac and Fox Nation, which the Department of Justice recognized in a complaint related to the accident. *See* Paragraphs 1 and 13 of Attachment A. Osage requests this clarification to keep the record clear in this matter and avoid any public confusion.

Osage shares PHMSA's commitment to pipeline safety and has made numerous improvements to its programs and practices following the events discussed in the NOPV. Osage will pay the proposed civil penalty following receipt of the final order issued in this matter. Please let me know if you have any questions related to this letter or would like to discuss this matter further.

Sincerely,

Rob Jamieson
Vice President, Midstream
