RE: CPF 4-2024-014-NOPV

Dear Mr. Capsimalis:

From July 11, 2021 to November 27, 2023, a representative of the Office of Pipeline Safety (OPS), Southwest Region, pursuant to Chapter 601 of 49 United States Code (U.S.C.), reviewed and inspected an Integrity Assurance notification submitted on June 30, 2021, by Rosefield Operating Company, LLC (Rosefield), regarding its High Island Pipeline System that transports crude oil from offshore locations to Texas City, Texas. As a result of the inspection, Rosefield was issued a Final Order (Order) in the above-referenced case. This Order included a Compliance Order.

Based on PHMSA's review of the documentation Rosefield provided, it has been determined that Rosefield has complied with the terms of this Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Bryan Lethcoe
Director, Southwest Region, Office of Pipeline Safety
