Case Closure**

Dear Mr. Etzel:

On March 15, 2024, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Consent Order and Consent Agreement (Agreement) that required Kinder Morgan Inc. (KMI) to implement certain corrective measures to address the safety concerns with hazardous liquid segments in Alabama, Arizona, California, Georgia, Florida, Louisiana, Michigan, Mississippi, Nevada, New Mexico, North Carolina, Oregon, Texas, and Virginia.

Based on a review of required submittals from KMI, PHMSA has determined that KMI has successfully completed the terms of the Consent Agreement and this case is now closed with no further enforcement action with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Dustin Hubbard
Director, Western Region
