Re: NOTICE OF PROBABLE VIOLATION and PROPOSED COMPLIANCE ORDER

CPF 5-2023-027-NOPV

Mr. Hubbard,

I am responding to CPF 5-2023-027-NOPV. We will not contest the allegations and intend to take action in the proposed compliance order.

A detailed atmospheric inspection has been performed. We are currently gathering cost estimates for the recommended work. The recommended work will be performed in June of this year to avoid frosted pipes.

Please let me know if you have any questions or concerns.

Thank you,

Matt Poulin
Area Manager
