Closure Letter**

Dear Mr. Willsher:

On April 16, 2025, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Amplify Energy Corporation (Amplify) a Consent Order incorporating the terms of the Consent Agreement between PHMSA and Amplify in the above-referenced case. This Order included a Compliance Terms requirement for Amplify to take certain corrective actions.

Per the terms of the Consent Agreement, the Consent Agreement would terminate once the Compliance Terms of Section V were deemed satisfied. After a review of the documents Amplify provided on July 15, 2025 and August 14, 2025, it has been determined that the Compliance Terms have been satisfied.

Accordingly, the Consent Agreement is terminated, and this case is now closed.

Thank you for your cooperation in this matter.

Sincerely,

Dustin Hubbard
Director, Western Region
Pipeline and Hazardous Materials Safety Administration
