Dear Mr. Saugier:

On May 14, 2024, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Consent Order to Hilcorp Alaska, LLC (Hilcorp). This Order incorporated the terms of the Consent Agreement executed between the parties. The Consent Agreement included a Compliance Plan which required Hilcorp to complete the following:

- Modify its procedures in accordance with the regulatory classifications detailed in the agreement.
- Follow a set schedule for integrating the subject facilities into Hilcorp's 49 C.F.R. Part 191, 192, and 199 compliance programs.

Based on our review of the documentation provided, it has been determined that Hilcorp has complied with the terms of the Consent Agreement.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.
