Closure Letter**

Dear Mayor Oberbroeckling:

On September 19, 2024, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Consent Order incorporating the terms of the Consent Agreement between PHMSA and the Town of Walden in the above-referenced case. This Order included a Compliance Order requirement for the Town of Walden to take certain corrective actions on its pipeline.

Per the terms of the Consent Agreement, the Consent Agreement would terminate once the Town of Walden addressed the deficiencies indicated by the Close Interval Survey (CIS), which was performed from July 8, 2024 to July 9, 2024. On June 17, 2025, Pinedale Natural Gas, the contractor managing the Town of Walden's natural gas distribution system, submitted documentation to PHMSA demonstrating the deficiencies indicated by the CIS had been remediated.

Accordingly, the Consent Agreement is terminated, and this case is now closed. Thank you for your cooperation in this matter.

Sincerely,

Dustin Hubbard
