Closure Letter**

Dear Mayor Encinias:

On March 24, 2025, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Consent Order incorporating the terms of the Consent Agreement between PHMSA and the Town of Aguilar in the above-referenced case. This Order included a Compliance Order requirement for the Town of Aguilar to take certain corrective actions on its pipeline.

Per the terms of the Consent Agreement, the Consent Agreement would terminate once the Corrective Measures in Section II were satisfied. On December 16, 2025, the Town of Aguilar submitted final documentation to demonstrate all Corrective Measures were satisfied. Accordingly, the Consent Agreement is terminated, and this case is now closed.

Thank you for your cooperation in this matter.

Sincerely,

Dustin Hubbard
Director, Western Region, Office of Pipeline Safety
