

Voluntary Information-Sharing System Working Group Meeting

November 29, 2017
Hilton Arlington, Arlington, VA

1

Welcome

- Welcome to the VIS Working Group meeting.
- Thank you for joining us (in person/by phone).
- Designated Federal Official (DFO), presiding official today.

Purpose

To fulfill section 10 of the Protecting our Infrastructure of Pipelines and Enhancing Safety (PIPES) Act of 2016:

- Consider the development of a voluntary information-sharing system to encourage collaborative efforts to improve inspection information feedback and information sharing with the purpose of improving gas transmission and hazardous liquid pipeline facility integrity risk analysis.
- Provide recommendations to the Secretary of Transportation.

Housekeeping Items

- Restrooms are located near the elevators.
- Silence your mobile devices to minimize disruptions.
- Audience participation:
 - Hold comments until we open the floor
 - Please keep remarks brief (less than 5 min)
- Written comments should be submitted to the docket:
Docket No: PHMSA-2016-0128

Committee Business

Case Study Presentations

- **FAA**
- **BTS**
- **FRA**

Case Study Presentations

9. What are your major successes because of this data sharing initiative? How did the results/outcomes fit?
10. What challenges did you experience? What rabbit holes did you go down that did not benefit the process. How did you overcome them?
11. What were the sources of funding (including design, implementation, and sustainability)?
12. Describe how the data/information is housed? Who houses the data/information?
13. Who can access the data/information (including the public)? What level of access did users have? Did regulators have unfettered access to shared data/information? Why or why not? Were regulators in agreement not to have access to the information?
14. How much system/data space was needed? How do users interact with the system?
15. How was the data protected? How were entities/vendors protected? Did you face sanctions (or potential sanctions) for the data/information reported?
