Subcommittee Training and Qualification Task Statement

- Task Statement Number: 18-05
- Task Statement Purpose: Develop recommendations to the VIS Working Group that identifies training, competencies, and awareness methods for stakeholders

Subcommittee Training and Qualification Task Statement

- Task Statement Description(s):
 - Recommend the development of training needs for key stakeholders that meet the requirements set forth by other VIS Subcommittees
 - Recommend that education and awareness be provided to stakeholders that motivates participation in a non-punitive and within a secure sharing process with the objective to improve pipeline safety
 - Consult with other subcommittees to determine how other industries have:
 - Shared lessons learned and best practices among appropriate stakeholders
 - Fostered continuous improvement through the capture and dissemination of information

Subcommittee Training and Qualification Task Statement

- Deliverables:
 - Recommend that communication methods be developed that foster the ability to exchange information
 - Recommend that training methods be created for stakeholders including eligible workforce if a reporting portal is created similar to the FAA ASIAs – Aviation Safety Information Analysis and Sharing
 - Identify additional sub-committee members or guest presenters with T&Q experience and expertise. For example:
 - Marketing the VIS
 - PHMSA Accident Investigation Division
 - Chemical Safety Board
 - NTSB
 - FRA
 - BSEE
